SEMINAR REPORT

Importance of Medicinal Plants in Sustaining Eco Friendly Environment and Reducing over Environmental Carbon load

Chebrolu Hanumaiah Institute of Pharmaceutical Sciences in association with A.P. Pollution Control board has organized a two days national Seminar during 07th and 08th December 2017 at CHIPS, Guntur. This Seminar was mainly focused on importance of Medicinal Plants in Sustaining Eco Friendly Environment and Reducing over Environmental Carbon load. Chief Guest Dr. B. Madhusudana Rao (JCE, Andhra Pradesh Pollution Control Board, Vijayawada) delivered talk during the event. About 200 students from various Colleges of Andhra Pradesh had attended the event. During the Conference a medicinal plants exhibition was organised and around 300 species of medicinal plants available in the college were displayed to the students. Certificate of Participation and Prizes were distributed to the winners of various events of the competitions organized during the valedictory function. During valedictory function, an open feedback system was recorded from the participants at random and the overall outcome is Excellent. The Management of CHIPS particularly Dr. Kondabolu Basavapunnaiiah, President, Nagarjuna Education Society (NES), CHIPS and Dr. C.N. Srinivas, Secretary and Correspondent, CHIPS thanked all the invitees and participants for making the programme a most successful one.
