REPORT ON

Role of Nanocomposites as Recyclable Catalyst for Organic Synthesis and Treatment

Chebrolu Hanumaiah Institute of Pharmaceutical Sciences has organized a one day seminar in association with AP Akdemi of Science on 04th January 2019 at CHIPS, Guntur. This Seminar was mainly focused on importance of nanocomposites as catalyst during organic synthesis. Chief Guest Prof. Sreekanth B. Jonnalagadda (University of KwaZulu-Natal) and Prof. M. Basaveswara Rao (Director, PG Centre, Krishna University, Nuzivid and Honorary secretary, AP Akademi of Science), delivered talks during the event. About 165 students have attended the event. During valedictory function, an open feedback system was recorded from the participants at random and the overall outcome is Excellent. The Management of CHIPS particularly Dr. Rayapati Srinivas, President, Nagarjuna Education Society (NES), CHIPS and Dr. C.N. Srinivas, Secretary and Correspondent, CHIPS thanked all the invitees and participants for making the programme a most successful one.

Dr. S. Vidyadhara
Principal and Organizing Secretary
