Report on One Day Seminar “Roles and Responsibilities of Pharm.D Graduates in Indian Healthcare System” – Current Scenario

On 7th March 2020, Dr. J. Goutham Kumar (Clinical Pharmacologist, HCG cancer hospital, Bangalore, Karnataka) has delivered a session in seminar hall of Chebrolu Hanumaiah Institute of Pharmaceutical Sciences from 9:00 AM to 10:30 AM. All the students of 3rd year Pharm.D to 6th year Pharm.D has attended the session. The session included the content such as various roles that are assigned to Pharm.D graduate in a NABH accredited hospital and different responsibilities a Pharm.D graduate is expected to perform in the current scenario; once they start working as a clinical pharmacist. He had also talked on Antimicrobial stewardship program and discussed few case analyses which are encountered in the clinical practice. Dr. Goutham has interacted with the students; especially with the interns in understanding their attitude towards clinical pharmacist profession and also motivated them in pursuing the same by clarifying their several doubts/queries. The session was concluded by closing remarks proposed by Dr. A. Pramod Kumar, Associate Professor, Dept. Pharmacy Practice, CHIPS.

Felicitation of Dr. J. Goutham Kumar by Staff Members of CHIPS
