About College

Chebrolu Hanumaiah Institute of Pharmaceutical Sciences(CHIPS) was established in the year 2005 by philanthropic Nagarjuna Education Society(NES). At present, this institution is offering B.Pharmacy, M.Pharmacy, Pharmaceutics and Pharmaceutical Analysis branches, Pharm.D and Ph.D with a total students strength of 600. The motto of Nagarjuna Education Society is to provide quality education and training, which is accomplished by providing excellent infrastructural facilities to its students at CHIPS. This institution is having about 13 classrooms and 25 laboratories, 01 library, 01 seminar hall and abundant play ground for sports and games. All the labs are well equipped with basic instruments to advanced machinery. Labs are well ventilated, spacious and provided with fire safety devices. Students will be trained on one to one basis under the supervision of expertise faculty at the laboratories. The college animal house is recognised by CPCSEA, New Delhi. This institution is blessed with a good blend of senior and young faculty members with 17 Doctorates. This institution is having MOU's with several Pharma industries which helps our students to mutually benefited by visiting them, getting trained on advanced laboratories and by performing collaborative research activities. The college is recognised by UGC under Section 2(f) & 12 (B). This institution is accredited by NAAC with B++ grade under Health Sciences : Pharmacy Institutes category which is valid upto 24/01/2026. This is the first Pharmacy institution accredited by NAAC under health Sciences category in the state of Andhra Pradesh. CHIPS is also certified by ISO 9001:2015 for imparting Best Quality Education in Pharmaceutical Sciences & Research. It is also NIRF ranked in the rank band of 51 – 75 category during the year 2017. About 31 Research Scholars have perused their Ph.D and about 20 Scholars are pursuing their Ph.D programme under the supervision of our faculty at CHIPS Recognised research centre. About 70% of students are placed in various companies at campus placements guided by Training and Placement Cell of this institution.

Policy Document

CHIPS Startup policy document includes the following:

- Entrepreneurship promotion and development will be one of the major dimensions of the institute strategy. To facilitate development of an entrepreneurial ecosystem in the organization, specific objectives and associated performance indicators will be defined for assessment.
- Investment in the entrepreneurial activities will be a part of the institutional financial strategy. Minimum 1% fund of the total annual budget of the institution will be allocated for funding and supporting innovation and startups related activities through creation of separate 'Innovation fund'.
- Establishing preincubation and incubation centre at institution.
- Motivating and supporting students with platforms to participate in grand challenges, ideation challenges and smart hackathons.
- Identifying faculty, alumni, industrial, consultants and their expertise for successful graduation.
